Director General
Dr. Ian Heath
Dear Sir:

I am Lin Zhen-man, HKID 188015(3) and SGID S266560D, the inventor and applicant of PCT/SG03/00145.

The above-mentioned application and invent which it can quickly and completely cure the SARS, bird flu and include flu of any type or tuberculosis which the first patent of lung bacterial infection field, and it may be anticipated that this invent will be the last invent, so this application for the medical science history and to protect your national health that is very important.

Because former China leaders who purposely and unreasonably abused the country power to pass through the judge of Court of HK & China to scheme harm my factory investment in Shen Zhen City of China since the year 1999. so I do not have any investment now!

Although my invent to save a lot of SARS patient in China and HK after May.15, 2003 and to extricate the SARS crisis, but they are no any thank for my knowledge property right and order the HK, China officer to lied collectively and further to prevail on the international society to helped conceal! This is an individual wrong of the Jiang Ze Min of former China chairman, I do not understand which how to confess for history by them in the future!

Although the Intellectual Property Department of HK Special Administrative Region had granted my patent on July 23, 2004. But, up to now, the Health Department of HK Gov. still to refuse to value my knowledge, so I am still a poor wretch now!

You are a PCT signatory country, if your country is a civilized and a country that values human rights, please don't refuse our request into the patent office of your country and the EPO office, give me an application number and by a letter of notice to be directly mailed to Singapore at my address:
