Commissioner of Patents
Dear
Sir/Madam,

 amend

My application in Canada patent office was for quiet many years, then the H1N1 spread in world to arouse the sympathy of come into power. Consequently, New Zealand is just the first civilization power to grant a patent for my invention for medical sciences and to leave **behind a good reputation down the history**. This shows that criminal behavior of preventing from to admit this invention of medical sciences already unpopularity.

Therefore, kindly spread words for Canada patent office. The link is at www.ycec.net or <http://www.ycec.net/nz/540943.htm> to view and emulate, because Canada is a civilization country and legal system integrity too, this invention can lifesaving in civil sure, all things on earth which ought to attach most importance for life.

Thank you!

Yours faithfully,

Lin Zhen-Man
