Respectable

**University of Ghana**

**Chancellor Mary Chinery-Hesse,**

Faculty, staff &

Each student

Dear Sir or Madam:

I am the inventor of [PCT/SG03/00145](#) patent, because to come from in the dark to vicious intervene by **CP-China**, than I was to obtain a HK patent on August of 2004 after, the ex-Chief Executive **Tung Chee-hwa** who must to resign on March of 2005, and same to grant for me the patent by the **New Zealand** also must to withdraw on 2009year..., so I have not to application in your country! 📧

Because the **false and harmful** of “**vaccine**” that already unmask from above my invention, it though the “**vaccine**” original Britannic “**invention**” on 1898year, but it already reuse under the current **CP-China** dynasty that tool for the stupid people ! 📧

In the first , the China's **Wen Wei newspaper**, with **China News Service** by a eye-catching subject is : “Maybe to influence the **Bush's** election!” on Nov., 27 2004 to expose and signature by Mr. **Jiang Jinheng** who how to bribe the younger brother (**Nei/Bush**) of **George Walker Bush** by the beauty with money and signature , because **Jiang Jinheng** just is the eldest son of ex-chairman **Jiang Zemin** of China Gov., so at this point to abduct the **small Bush** dare not do admit give me above the patent inventions!

The next , to direct by Mr. **Jiang** of **CP\_China** of the turmoil by “ **Red Shirts Corps** ” at **Taiwan** with **Thailand** that purpose the same to prevent give me the patent at [www.ycec.net/tw.htm](http://www.ycec.net/tw.htm) & [www.ycec.com/Th/war-felon.htm](http://www.ycec.com/Th/war-felon.htm) can to see !

Particularly as at [www.ycec.com/CN/temblor.htm](http://www.ycec.com/CN/temblor.htm) to exaggerate the temblor-calamity of **Si Chuan** by **CP\_China**, so include as **United Nations Children's Fund** the early subscription 300 thousand USD in worldwide to **fraud** total nearly the 800 **hundred million** of **HK Dollar**, but the Africa with local Chinese to **fraud** how much unknown, and after the subscribe majority to bribe at worldwide any country politico to keep from my patent application as at [www.ycec.net](http://www.ycec.net)!

As above the fact, owing to the **dictatorship of China** has to hold unlimited funds can to bribe other democracies country politicians to defend his stupid citizens by the “**vaccine**” devil means, so today come from **CP China** whose sinister trick means and the virtue lose to know the world already and ought to rename for a “**nil crown dynasty**” cannot again to boast a republic! 📧

More relevant information from [www.ycec.com/UN/120617/witness-history.htm](http://www.ycec.com/UN/120617/witness-history.htm) is clearly with no doubt!

Therefore, to contrast **WWII** still ghastly the “**vaccine war**” of **World War III** to continue up today had sixteenth years already, at the USA has a **gifted** President **Trump**, and in the Eu still have a **Fr-hero** who is the ex-President **Hollande**, it though my email already to spread through all **EU University on last year** , but after the **Fr** President with **WHO** official still to avoid talking it seems that have great bribe or threaten so avoid talking..., **no wonder**, 📧 **Notre Dame** of **Paris** at the extremely sadden to big fire suicide from here!

First to shown in the photo on the right, **gifted** President **Trump** is also aware of problem with “**vaccine**” and advises children don't take so as to avoid **AUTISM** and become a blockhead!

Please also read the attached attachment, or from the [www.ycec.com/HK/171103.pdf](http://www.ycec.com/HK/171103.pdf) / [htm](#) to see my letter to President **Trump** on November 03, 2017 that **in millennium not change my four big inventions** same to suit anyone **Ghanaian** you will be clear undoubtedly! 📧

Furthermore, the focus from “*vaccine*” that **World War III** involves all **Ghanaian** safety of life with basic values that unavoidable! 📧 So the **Trump** Government to be angry to withdraw from the **UN-HRC**!

Or as at [www.ycec.com/HK/180531-SAC.pdf](http://www.ycec.com/HK/180531-SAC.pdf), this was my mail to that 492nd last American University before on May of 2018. I also to inform all American, **Trump** who was a best USA president of seldom on sight and wish all American must know to treasure with give full support, and not to become a flunky employ by the **CP China**!

The fact as this, all **Ghanaian** also live in the “**vaccine evil hands**” now, so you must to **treasure this email**!

But the network spy of CP China omnipresent, I was just to discover, if your computer has as **AVG Anti-Virus**, the **AVG** already to **cheat** in my [www.ycec.com](http://www.ycec.com) had virus to hold back you understand fact as [www.ycec.com/HK/190208.pdf](http://www.ycec.com/HK/190208.pdf) by **CP China**'s bribe inevitably, so Czech **AVG** Company also to surrender and have not humanity and **I will to call the law duty!** 📧

You could be **temporary** to close the **AVG**, because [www.ycec.com](http://www.ycec.com) has not any **Virus**!

And the [www.ycec.net](http://www.ycec.net) just teases by hosting of [www.whois.com](http://www.whois.com) in deal with...same to bribe by **CP China** at [www.ycec.net/SG/190302-W.pdf](http://www.ycec.net/SG/190302-W.pdf) on March 2, 2019.

Or on [www.ycec.com/HK/190307b.pdf](http://www.ycec.com/HK/190307b.pdf) that fact of a network to block same as a King also occur at HK Now !

If the related of web page cannot to open for moment, you maybe change for [www.ycec.net](http://www.ycec.net) or [www.ycec.sg](http://www.ycec.sg) !

So please must to treasure this email and jointly to condemnation incumbent ! 📧

Also because **Chancellor Mary Chinery-Hesse** your teachers and students **without except are the sufferer** of **vaccine** too, if you not immediately to brainstorming, it will be a great humiliation for **UG** of high status!

Also therefore, I hope **University of Ghana** can to guide by Excellency may lead **Ghanaian** Society to **run out** this devilish cycle of **vaccine** to rebuild global society civilization, 📧 which is one of the themes of this email!

The right photo is France hero ex-President **Hollande**, why is he self announcing that he will no longer run for re-election on 2016year?

Because **Hollande** with Germany premier **Merkel** same time to saw at [www.ycec.com/UN/151021.htm](http://www.ycec.com/UN/151021.htm) that I had a letter to consulate of Hong Kong to know:

Because dressing a coat of sovereign state but is the IS terror organize in the process to abuse civilization, so **WHO** continues to kill at random, **MH370** was also skyjacked by them..... include terror attack

“**Charlie Hebdo**”, Nobel to regret grant **Obama** the Peace Prize with since 2009year not to stint means to **murder me**, it can be seen from the [www.ycec.com/Jzm/murder-3.htm](http://www.ycec.com/Jzm/murder-3.htm), that details fact etc. clear undoubtedly too!

And then **Merkel** hence at once visit CP-China after but as **change by German life again** to obtain 1700 trillion order of CP-China just glad go home on Nov.2, 2015, **Hollande** visit CP-China on that day and insist on to meet with **Zhang Dejiang of Chairman of the National People's Congress** to express to be interested in [PCT/SG03/00145](http://PCT/SG03/00145) invention with my security inevitably, but not same the **Merkel** break up in discord!

Especially then I had a letter at [www.ycec.com/911/161107-fr.pdf](http://www.ycec.com/911/161107-fr.pdf) fax to the Interior minister of France after, to prevent from **CP-China** as use **911 without end** to threaten **Trump** inevitable too! Also is for a short while to deal with endless **Hollande** only not to run again for his office to respond for **CP-China** with tell for inventor me that a **France hero!** 📧

Besides, why **MH370** was also skyjacked by CP China not an aircraft commander? Also then **MH370** into the territorial air space of China to control by Beijing airport and skyjack by who the fact indisputable, why?

Because I just the inventor of "[three measures of aviation security](http://www.ycec.com/911/Patent_Application_in_US.htm)", and have not any a leak of safe, as well as to announce use by **George Bush** at Chicago Airport on Sep., 27 2001, still more the details at:

[www.ycec.com/911/Patent\\_Application\\_in\\_US.htm](http://www.ycec.com/911/Patent_Application_in_US.htm) 📧

Why the **CP China** must to direct skyjacked for the **MH370** ? And **Malaysia** ex-Premier **Najib Razak** whether to collect great bribe to kidnap by **CP China** only can to rumor the missing news to harmony with **CP China** ? Still more the details at: [www.ycec.com/UN/150117.pdf](http://www.ycec.com/UN/150117.pdf) or [htm](http://www.ycec.com/UN/150117.pdf) 📧

**CP China** not only to rob my factory at **ShenZhen City** after at once close the gate of court on 1999year, also to include Singapore Gov., to invest that **Suzhou Industrial Park** become a small shareowner out of the Office ! 📧

Nana  
Akufo-Addo  
President

The same, to see the [www.ycec.com/911/161117-gh.pdf](http://www.ycec.com/911/161117-gh.pdf), I just had a letter claim to your **Interior Minister**, because this **eGate** patent is come from 911 after at once to proclaim by **Bush** President to hold up the stock market crash in the whole world the one of "**three measures of aviation security**", the details same at : [www.ycec.com/911/Patent Application in US.htm](http://www.ycec.com/911/Patent Application in US.htm)

But, **CP China** for a start tort to steal on 2005year, and after to instigate the **Intellectual Property Department** of HK to send out a fake patent at : [www.ycec.com/911/eGate-HK.htm](http://www.ycec.com/911/eGate-HK.htm), so to steal my invention of **eGate** become the daring vanguard of "**One Belt One Road**" by **CP China** !

Because the **CP-China** have no right to **tort prevent** and the honor of all **Ghanaian** significant than anything,  so I hope if the Justice personality still surviving of your **President Nana Akufo-Addo** who maybe to handle **as quickly as possible!**

Similarly, it is thus clear at [www.ycec.com/UN/161215.htm](http://www.ycec.com/UN/161215.htm) an open letter, to impeachment the **Park Geun-hye** ex-President by Korea's Congress, the case just is international concealment for my **PCT/SG2003/00145** medical inventions is the continuation of the most ugliest case to continue in the 21st century! Why? Below:

Due to the outbreak of the Middle East respiratory syndrome in South Korea in 2015, so the **ex-WHO** Director **Margaret Chan** only can to order the director of respiratory sciences **Dr. HUI SHU CHEONG** at the Chinese University of HK to play the role of "**Professor of Wash Lung**" at Seoul, so the **MERS** only can to disappearance in **South Korea!** But **have humanity** the **Park Geun-hye** not agree continue to conceal stolen use "**Wash-Lung**" treatment and must open use for Kr society only can to save still more **Korean life!** So make the **CP China** anger at once to bribery all media, related Member of Parliament with Judge to impeach **Park Geun-hye**..., and the maximum beneficiary **Moon Jae-in** who seems **for the CP China** agent in the dark, therefore, not have any direct evidence of a crime to arraign for **Park Geun-hye** and only inference by **Judge** also to be evil sentenced to prison 24 years! 

I hope your professors should be to draw lessons from above fact and **immediately wrote** to query **Nana Akufo-Addo** president when can to open "**wash lung**" and "**frozen**" two treatment use for all **Ghanaian** **not** become a jackal of **CP China**? **If not, to massacre Ghanaian** by him that crime will be established to investigate! 

Above the true internal cause just is to keep from my "**washing lung**" & "**freezing**" two treatments could be to open to lifesaving for public and lest by "**vaccine**" that obscurantist policy of **CP China** to ruin! 

Also, as the "**Haiguo Tuzhi**" 《海國圖志》 of the **Ching Dynasty** of China was published in 1832year, why it was banned at once and locks country? But this banned book made Japan to prosperous and strong, **why?**

Though this come from the history of China with Japan, but it merit to referral for any country!

Because the "**Haiguo Tuzhi**" introduced the science and technology of western countries, but the **Qing Dynasty** thought: " If the people control the gun technology, my **Qing Dynasty** still have the Power and Prestige at all?? This just is then order for a banned book with **locked-country** by the Feudal dynasty **mentality!** ";

Today, **CP China** prefer to kill thousand people also not have to hide my two medical invention that **mentality at where?** If not the **vaccine means to** be a moron of the Chinese nation and the people of Hong Kong still have my three representatives? **Yes** or no?

Today's **CP China** whether to compete with the **Ching Dynasty** still have sinister **vicious hundred times?** Also ought to collective discussion by **all Chinese** with **any one country** that time to arrive at !

Though this "vaccine" of World War already to internationalization, at the right picture on last year, just tour at **EU** 13countries after the new Chief Executive of HK **Carrie Lam** same a diplomacy helper of **CP China** ultimate unable to defend her promise principles by rule of law in Hong Kong!

From [www.ycec.com/HK/CarrieLam.htm](http://www.ycec.com/HK/CarrieLam.htm) to see, it seems "instruct" by Chemical Weapons to attack ex-Russia an agent case at **London** after, I at once to incur same the attack by **nerve gas** of forbidden chemical weapon at Shenzhen City of China my houses on Mar. 16, 2018.

So then I was go back Hong Kong a Hospital to emergency treatment on Mar. 21, 2018, but the blood test report to withhold to exceed had 29days and true or false is difficult to divide, so then I had a detailed report of how to attack by **nerve gas** to HK government on June 16, 2018 and requests must liaison Shenzhen City government to common examine, but HK government say no so must to call help with **interest for worldwide!** 

Still frowning of the President **Putin** on June 08, 2018 !

When President **Putin** knew that the chemical attack in London was not by Russian agents and seemed to be closely related to the Chinese government, **Putin** was urgent to visit China to meet with **Xi Jinping** plan to reprimand! However, it can be seen from the news that the International Football Cup is about to be sponsored by a small number of people in **Russia**, but suddenly more than half of them are **Chinese enterprise**, why?

So the **Xi Jinping** of CP China urgent to award a "**Friendship Medal**" for President **Putin** of rapid call on and attempt "blow off steam" for **Putin** that also can be seen from the news on June 08, 2018!

But the fact just now opposite, also in **Xi Jinping** to visit Russia before 15days to announce for China that export duties of rock oil to add 25% on May 17, 2019, but **Putin** who as well cannot to take back dignity!

Especially over the past one years, CP-Chinese Foreign Office still could be unblushingly open to clamor at the HK TV : "to register in the UN on 1984year that **《Sino-British Joint Declaration》** already **invalidation!**", so and further by other occasions to threaten: **CP-China** have the right at any time to nationalize all the personal property as the means for force HK Gov., continue to cheat citizen to inoculate vaccine that only can continue to fool with flunky to HK citizen and all Chinese people for final destination for the power core of **CP-China!**

Also as at the main page of [www.ycec.com/HK/CarrieLam-hk.htm](http://www.ycec.com/HK/CarrieLam-hk.htm), the letters I just sent to Chief Executive **Carrie Lam** and with **LOCPG** of **CP-China** etc. those same merit your **Uni** to discuss and witness for history: This is **most sad one side of the HK government today!** 🇭🇰 Because **CP-China** already gone on the **antihuman stage** and do not want to go back!

Due to the **CP China** only for conceal in my invention that "**freezing**" treatment only can to favorable to popularize who's fool means by "**Cancer-Vaccine**", so since ex-15years up today in China not stint to **butcher** the **Cancer-Patient** already to exceed **4000 ten thousand** is double for the **World War II** in China! 🇨🇳

### Now returning to the "**vaccine**" theme:

Because by only have "**germs**" rather than "**virus**" infection that my newly medicine discover that only can to lead to the invention of the "**wash lung**" treatment in [PCT/SG03/00145](http://PCT/SG03/00145) and ahead of time to make public on May 15, 2003, so the SARS crisis of Beijing, Hong Kong with Taiwan only 30days after has become the past!

Also the same, in my invention of [PCT/SG03/00145](http://PCT/SG03/00145) that, I opened a path of life for cancer patient, that just is absolutely effective "**temperature difference**" or common name of "**freezing**" treatment and successful application in HK Hospital to be reported on September 03, 2003, at [www.ycec.com/Cure-cancer.htm](http://www.ycec.com/Cure-cancer.htm) !

Fury by **Duterte**

For this crime of conceal afraid to trust and doubt but **high wisdom** your President **Duterte** **studiously** to exclaim at his oration on Oct. 4, 2018, the gist is: "...why do the Philippine have Chinese drug trafficker who **actually** is a visiting party of China Premier **Li Keqiang** and relation intimate at Philippines for other official of China. ...", followed again to said: "I already had cancer, if it is Phase III cancer, I will no longer be able to accept the treatment...", 🇵🇭 **Duterte** **just** by this **a joke** to **sound out** above conceal truth!

So the **HKTV** immediately at the program of medical treatment to display by "**freezing**" treatment to healed a cancer patient of "**malignant bone tumor**" to notify **Duterte** on Oct. 6, 2018, but the **Duterte** in the cabinet council **laugh at** him already to check no illness for any cancer seems to told for **HK Gov.** or **CP China**: "**A joke**, I still need not to please you to steal **lzm**'s medicinal invention!" on Oct. 8, 2018!

The HK report at: [www.ycec.com/HK/181008-ph.pdf](http://www.ycec.com/HK/181008-ph.pdf) 🇵🇭

**But why above two major medical inventions of "washing lungs" and "freezing" should be concealed around the world already it already to exceed fifteen years?**

**US Gov.** 🇺🇸 already limits acts for **diplomat** of **China** to publish on Oct., 17, 2019 and the Secretary of State who to pitch the **CN Gov.** not to stand for **Chinese** on Oct., 30, 2019. 🇨🇳

In the United States, as I said in my letter to President **Trump**, the open to threaten by "**911 without end**" and secretly bribed **Hillary Clinton** to dominated the impeachment point for **Trump** will the stage as **Park Geun-hye**

ex-President of **Korea** that clear-cut to come out into the open!

As we have seen above, the **Communist dictatorship of CP China** does not hesitate to butcher ten million public lives just to maintain his domination to become an enemy of whole mankind who also no to change color at the face of CP China! So this just the cruelest origin of this century's world war! 🇨🇳

But **GHA** Hero at where ? That maybe to call by your Professor **inevitably!** 🇬🇰

**Especially today** the Paris Notre Dame already sadden to self-ignition, as well as **Phoenix TV** of **CP-China** the host of Mr. **Peter Qiu** to informed at **TV**: " France is no longer to shot vaccine! " to pass on for **core** of **CP-China** on June 23, 2019. 🇬🇰

The same, then as letter of [www.ycec.net/SG/190423-ToyoU.pdf](http://www.ycec.net/SG/190423-ToyoU.pdf) email to each **Japan Uni** after, the CP China at once to start the " strategy- dialogue of China-Japan" on Aug.10,2019, but on ago one day, the **Queen Mothe** of Japan already to ill the **breast cancer** to show in the news, as this simply to question CP China: "Our **Queen Mothe** also to suffer **cancer**, whether can not to use the lzm's invent of "**freezing**" treatment? Or must to steal use?", so the "**strategy-dialogue**" also to die without a sickness! 🇬🇰

Even though the "**vaccine**" originated in the West but it was reused by the dictatorship of CP China for a fool tool at Hong Kong after July of 1997, from the website [www.ycec.com/HK/patent.htm](http://www.ycec.com/HK/patent.htm) it has been well to **known**:

Firstly, please see the following link [www.ycec.com/HK/160519e.pdf](http://www.ycec.com/HK/160519e.pdf) or htm. Due to "**virus infection**" but there is no scientific basis and harmful "**vaccine**" thus no place to hide! 🇬🇰

Secondly , from [www.ycec.com/HK/161007e.pdf](http://www.ycec.com/HK/161007e.pdf) or htm visible, **Communist dictatorship** as early as after July of 1997 first actual control of in the Director of Health of HK that **Margaret Chan Fung Fu-chun** to seek pretext by "**measles vaccine**" boosters deliberately deceive more than 1.2 million 1-18 years old generation! 🇬🇰

Thirdly, also from [www.ycec.com/HK/170825e.pdf](http://www.ycec.com/HK/170825e.pdf) or htm that, then I sent a letter to Chairman of the Council of HKU **Li Guozhang** it can to see, the **Communist dictatorship** only to retain "**vaccine**" of idiot tool not to hesitate to sneaky application my "**wash lung**" treatment only can let the SARS crisis has become history, so after disuse at aside of this treatment and let the flu, tuberculosis and elderly pneumonia etc. patients to die a large number them also to stop at nothing, that is exactly the nature of dictatorship in today's China! 🇬🇰

More shameful is then the incurable cancer disease to become history under my invention and to appear in the newspapers also must to concealed besides, the **Communist dictatorship of CP China** still to hold the "**vaccine**" of idiot tool not to discard, and first push out the "**rotavirus vaccines**" and obtain **WHO** certification to change a new item continued to cajole small children in Hong Kong! Immediately is, designedly to cajole schoolgirl with small girl that "**cervical carcinoma vaccines**" also in first launched in Hong Kong on 2006year that as in my letter to the Council of **HKU Li Guozhang** so need not dwell upon at here!

Similarly, why **Ghanaian** hospitals also do not have "**lung wash**" and "**freezing**" treatments that can publicly to save lives for **Ghanaian**? Why is it that all **Ghanaian**, including all teachers with students of **GHA Uni** who are still trapped in the "**vaccine devil**" trap of your **GHA** Centers for Disease Control and Prevention?

As shown in the right picture, a report for the **CP China** government has by unlimited money successfully to control the Egyptian immigration policy, a vote of power in California, a vote in **New Zealand** and a **UN** accreditation permitting media coverage by on year mid of 2017!

Before one year, Australia ex-Premier **Malcolm Turnbull** also publicly accused the **CP China** government of secret bribe control of the political situation in **Au!**

In the United States, as I said in my letter to President **Trump**, the open to threaten by "**911 without end**" and secretly bribed **Hillary Clinton** to dominate the impeachment point for **Trump** wills the stage as **Park Geun-hye** ex-President of Korea that clear-cut to come out into the open!

As we have seen above, the **Communist dictatorship of China** does not hesitate to butcher ten million public lives just to maintain his domination to become an enemy of whole mankind who also no to change color at the face of **CP China!** So this just the cruelest origin of this World War III! 🇨🇳

As a result, 🇬🇰 Heroic **Ghanaian** cannot let **Trump** President alone fight for vicious powers of **CP China !**

However, about the equipment of "**wash lung**" treatment it can to find at my [www.ycec.net](http://www.ycec.net) or to be authorized by me. I will to make a fresh start the production and sales department and accept any inquiry!

The more importantly is, from the [www.ycec.com/HK/161007e.pdf](http://www.ycec.com/HK/161007e.pdf) or [htm](#) that "**home health hygiene**" by "**Saturated Saline**" it was very simple easy to use and need not to patent authorize, still merit your anyone teaching, administrative staff and students at once to use and to disseminate use for any **Ghana with all African** home, that only can to vouch for any diseases do not occur and to leading the **Ghana with all African** life expectancy to stride forward for **120 years old!** 

This letter send by email can be found at [www.ycec.net/SG/200110-UG.pdf](http://www.ycec.net/SG/200110-UG.pdf) with the details of Chinese at [www.ycec.net/SG/200110-UG-hk.pdf](http://www.ycec.net/SG/200110-UG-hk.pdf) or [com](#) and it still will be file to witness in history of **University of Ghana** with **Ghana**, pardon me!

If you have any questions please temporary email at [lzm@ycec.sg](mailto:lzm@ycec.sg) with the email address at [ycec.com](http://ycec.com) & [net](#) or Fax to 852- 3111-4197, **3007-8352** for me!

But, please must to look out, because the **network spy** of **CP-China** who was awful insane and sometimes can to tease my website with normal receive in HK or SG!

Respectfully yours

**PCT/SG03/00145 / Inventor**

**Lin Zhen-Man/SG/HK**

Dear Sir:

I, Lin Zhen-man, HKID 188015(3) or SGID 2665604D.

It all started with two of my own patent applications, in the strong intervened secretly by CP-China, the two of your predecessors **George W. Bush** and **Obama** who lost their reputation as shown in my [www.ycec.com/UN/120617/witness-history.htm](http://www.ycec.com/UN/120617/witness-history.htm). The whole world is also full of this turmoil uneasy..., but yet you still went against all odds to defeat **Hillary** and become elected USA President of the 45<sup>th</sup>, I am late to express my congratulations, hope you do not mind!

Especially in 2016.12.15 date [that open letter](#), I clearly pointed out:

▣ Now, for any money or belle means non to act on the **Donald Trump** the end stand out at America, American young man to equalize must take vaccine that fool-citizen means also must to stop! The Mr. **Henry Alfred Kissinger** also again in time visit China same as after the open letter to announce on January 17, 2015, and the Donald Trump non again only admit only a China in time same to send out more strong signal to the Jiang Dynasty of CP China ! ▣

As said above, for you as well as **George W. Bush** and **Obama** who have complete faith in CP China, as shown in the picture on the right at **ifeng TV** on May 27, 2017:

**Trump Listening: 911 without end!** 🇺🇸

Just as expected, before your birthday 2017.6.14, then a white man gunner of Lone wolf style attacked your Republican of Lower House Mr. **Steve Scalise** and even profess to perish Your Excellency at the web..., until a news report to point out you had called :

"... **Xi Jinping and me** are good friends!..." after, the terrorist attack only to little ease at USA..., this quite right is by heavily bribery above that the 911 not finished!

On the contrary, created by the CP China central **Jack Ma** also on 2017.6.20 in Detroit City said in 5 years will create one million job to please you etc. as this double dealings technique already know in global, no wonder the UN Secretary-General **Guterres** to feel that you also will be taken bribes so he nervous to shown on the next day: if the US no longer involved in global affairs, that will be replaced by other country, not a good thing!

But from 2017.8.01, the Chinese Consulate General at **Los Angeles** city the shooting case is clearly show you two power countries that grapple in the dark it were very violent, so without purpose those terrorists attack of lone wolf in US only slightly to ease...

The fact as this, while have huge money to temptation in the dark, to start any lone wolf terrorists attack as easy as turning one's hand over!

Therefore, ago you to start off visit Asia one day, above the "911 without end" by CP China to open threaten Your Excellency again to start at New York to assume again to terrify you must in visit to kneel down to continue help to conceal my invention, because by "vaccine" trick to stupid with flunky all Chinese people all the while just is the **core benefits** ! 🇺🇸

It was inevitable, if Your Excellency still no to take the lead admit my **PCT/SG03/00145 in US** Application No. 10/469,063 as **George W. Bush** and **Obama**, it will have most many American lives to died to have no choice! The same, CP China at above open by **911 without end** to threaten Your Excellency it

will to lead blood-stained everywhere still at USA!

The fact is that,  the double-factions of CP China by money with corruption to challenge the democratic world that already into the open!

And far from the case, ISIS also by a lot of money after to terrorist attacks “Charlie Hebdo” at Paris on Jan. 07, 2015 to threaten international media can not report my open letter, to see the [www.ycec.com/UN/150107a.pdf](http://www.ycec.com/UN/150107a.pdf), because the report time by **ifeng TV** than the French police and ISIS self-disclosure is early and difficult to deny!

Similarly, then secretly donated to the **Hilary** to establish a new political organization on May of 2017 after, by the “Trump-Russia ties” became to advance impeachment Your Excellency that trick same as Korea coup the **Park Geun-hye** in my open letter at [www.ycec.com/UN/161215.htm](http://www.ycec.com/UN/161215.htm)

In other words, Your Excellency and the **Park Geun-hye** ex-President who had a same bad luck, nevertheless lucky that is all, because American media and officials no low as Korean, if not, in my witness at the ifeng TV that commentator also had to be arrogant and conceited: Your Excellency will become second of the **Park Geun-hye!**

And therefore, oncoming to visit South Korea of Your Excellency have a duty to urge now the **Moon Jae-in** President must to guarantee the basic human rights for **Park Geun-hye!** 

Now return to the theme of today: Why must the CP China make full efforts to prevent any country leader to accept my application of PCT / SG03 / 00145 invention which is lifesaving for national?

That is as I a letter to the HKU’s Court & Chairman of the Council Mr. **Li Kwok-cheung** on Aug. 25, 2017, your country in HK’s consulate may be easily to full text translate for Your Excellency, the main points below:

1. All under "virus infection" that vaccines have no scientific basis and can be easily verified;
2. By “bacterial infection” for basis that my “washing-lung” treatment invention is only the way to solve the SARS crisis and any flu in [PCT/SG03/00145](http://www.ycec.com/PCT/SG03/00145) on 2003year;
3. On account the false and harmful of “vaccine” that is already unmask from my invention, it though the fake vaccine original western "invention" but reuse under the current CP-China dynasty that tool for the stupid people, and Hong Kong began on July of 1997 later by the **Margaret Chan Fung Fu-chun** to inveigled 1.2 million under 18years student with children to shot three dosage “measles vaccine”, you can see the [www.ycec.com/HK/161007.htm](http://www.ycec.com/HK/161007.htm) or [pdf](#),
4. The [PCT/SG03/00145](http://www.ycec.com/PCT/SG03/00145) patented invention also includes a "temperature difference" or proverb “refrigeration” treatment that already to open a save life big windows for cancer patient and succeed application in HK hospital reported by newspaper: [www.ycec.com/Cure-cancer-hk.htm](http://www.ycec.com/Cure-cancer-hk.htm)
5. Because the "vaccine" already seen as a “treasure” tool to fool people by CP China, so above the "temperature difference" or “refrigeration” treatment same must to conceal and a more despicable regime means purposes also in this show no doubt:
  - a. From the Mar of 2006, then the arbitrator of Nobel Arbitration committee visit HK before, at Beijing the Nobel prize **Chen Ning Yang** in the first send to HK to convinced HK’s academia must to prevent Nobel arbitrator to grant Medicine Nobel Prize for me ..., in the TV news it could be to seeing, **Dr. Yang** grit his teeth and said that: “...nowadays China do not need the Nobel Prize!...” and after, all the arbitrator of Nobel by “high standards” to entertain go away after, CP China immediately to statue at Guang-Zhou City thanks for **Chen Ning Yang...**
  - b. Second, under the leadership of CP China **Mr. Jiang**, the health sector of HK immediately lied to incitement girls of HK to shoot more no any scientific basis those HPV vaccine of nipple or cervical cancer ect.! For to lift the lie level, all the HPV vaccine again specially to labeled "British production" and high prices of 2-4K HK\$ only to sell in HK, CP China still can to instigate a large number of Chinese come to HK to shoot, and first let those medicine flunky of HK income to add suddenly...;
  - c. Finally, CP China **Mr. Jiang Ze Min** still easily calls out the HK Government to pay all the vaccine money in the dark after, again to call out the Community Care Fund (CCF) to appear personally free of charge, so all girls of HK no one not to be duped and then their growth still not to good by this vile trick no one not to stupid already, so still have a good offspring?!
6. Not only that, I help **George W. Bush** to eliminated the 911 disaster of the USA 10 / 469,063

invention patent still on hold, the *Bush junior* promise for me that may be temporary no to mention, but I had same two patent application in China still held up till now, but as the entry and exit control *eGate* claim, the CP China still can to order the HK patent office at ten years after to forge a HK patent let HK's the entry and exit control Director of HK had an excuse of small bandit to refuse to pay the tort expenses and already to *Along the Way* for other countries by CP China etc. that temporary not to bring up might as well, but I must hereby clearly and undoubtedly to tell Your Excellency with other country leader :

☐ ...include the *eGate* claim that 《three measures of aviation security》, and above the "temperature difference" treatment, "washing-lung" treatment with the health hygiene at home of "saturation-brine" total the four inventions for the world everyone does not avoid and will Millennium unchanged! ☐

I also must inform the whole world, my invention still not made public and everyone must to use. We can not again to endure those total lack of humanity principle of power politics prefer to kill ten million life still to be perverse again and again continue to conceal medicine invention, and again to endure our global village full of the bandit face for mankind civilization to big fall back!

7. ...

When the above the letter was send to Universities of HK by email after, "**HK's independence**" at democracy wall that disturbance unceasingly, unfortunately, all the HK-U's student to incur hitherto unknown "kill no pardon" that open threaten quell, all teacher also to face will never to employ threaten and by a small pretext to expel an can not obedient of elementary school principal to demonstrate authority by educate director of HK..., so the Ministry of Public Health of HK to continue rigorous all medium continue to lie to cheat citizen to shot flu **vaccine** of no any scientific basis, because false "One County Two system" in HK to be not in as my letter those fact!

The above fact can not to deny, seen from the right, Your Excellency same to know the perniciousness outcome **by vaccine** already !

And therefore, see the [www.ycec.com/HK/171003.pdf](http://www.ycec.com/HK/171003.pdf), when the e-mail send to Taiwan's Universities since 2017.10.01 after, by a report to shown, Your Excellency was depth perception to tell on Oct., 5, 2017: "this is calm before the storm!", so attracted some media to speculation !

It is because you are convinced that hateful crime of conceal by CP China it will to outbreak at the critical!

Similarly, ex-WHO *Margaret Chan* only can at the Switzerland an iceberg to digging pit for suicide also do not dare return to Hong Kong face to the public, but WHO how to step down from the stage it also spectacular, no wonder the above UN Secretary-General *Guterres* who so as this nervous !

In China, the Communist Party still have how much dignity can to govern China also emerge the level already, so on the six months ago, by a reports to shown, *Xi Jinping* also to proposed in China to change to execute a presidential system, but as you recently said, *Xi Jinping* still not a king!

No wonder there was a report to point that *Jiang Zemin* just in the "Nineteen large" to admit the "*Xi nucleus*" that only a games aims to cheat *Xi Jinping* to substitute and unjustly take the blame for *Jiang Zemin*!

Especially in March this year ago, by [www.ycec.com/911/161202b-uk.pdf](http://www.ycec.com/911/161202b-uk.pdf) can be seen, at your country that *eGate* of entry and exit control also not dare to open tort application my two doors of the program, so only can to separate application!

But to stay a security hole and the efficiency will never be resolved, and including in your country that 10/029951 application still exists only to be shelved still be modified, so I made the same request to you is only a matter of time!

Also by [www.ycec.com/911/170123-uk.pdf](http://www.ycec.com/911/170123-uk.pdf) that was similarly, then I also as this claim to more than 50 countries that *eGate* of entry and exit control time, but because temporary carelessness, so to omit introduce above the "temperature difference" treatment that total my four large inventions everyone does not avoid!

That is to say, the US medical reform does not have any meaning, only to admit my invention, let every

US hospital have the "**temperature difference**" with "**washing-lung**" two treatments to lifesaving for more Americans! And must to recommend the health hygiene at home of "saturation-brine" let every American family to free share my this invention that only can to guarantee American an average life span to outstrip 120years, furthermore can to by a wide margin to reduce USA that sanitation expenses, this only is the most important nucleus benefits for America!

The details of health hygiene at home of "saturation-brine" can to see at [www.ycec.com/HK/161007.pdf](http://www.ycec.com/HK/161007.pdf) that perfectly clear and need not patent expenses!

Your Excellency already 71 years old, if you want to live till 120years old and be less likely to fall ill, this health hygiene at home it cannot missed, if you have time, again to "washing-lung" once at hospital, you live to outstrip 120years old really not difficult!

All aimed at virus for cause those "vaccine" without any scientific basis from this webpage at : [www.ycec.com/HK/160519.pdf](http://www.ycec.com/HK/160519.pdf) also no need to argue again, and the "vaccine" large battle at HK to see the [www.ycec.com/HK/patent.htm](http://www.ycec.com/HK/patent.htm) and because your Chinese person of talent very many, I think you will lead the way to propagandize and derive benefit for all American necessary, because Your Excellency have plenty of public morality and need not see the facial expression from CP China !

Your Excellency will visit Beijing soon, the CP China is most looking forward to take this matter in secretly to coax other countries' leaders: " ... you see, Trump also obediently docile already!", its purpose aimed at intimidating other countries' leaders to not admit my invented and apply. Consequential is, global civilization will experience major setback, the present inventors have to be in this to speak bluntly, please do not blame!

Due to not being able to look for your facsimile number at your webpage, so this letter must be faxed to U.S. Consulate General Hong Kong office, Consul General Kurt W. Tong has a duty to inform president Your Excellency and to assist translate interrelated Chinese attachments at once! 📠

This letter can be found at [www.ycec.com/HK/171103.pdf](http://www.ycec.com/HK/171103.pdf) to download or the Chinese original draft at: [www.ycec.com/HK/171103-hk.pdf](http://www.ycec.com/HK/171103-hk.pdf), because this letter's subject matter same to related for anyone country common people's life vital interests, therefore, this letter will transmit to consult for other countries leaders!

Thank you!

Respectfully yours

Zhen-man Lin
