Dear Elysa,

Thank you for your notification!

但exabytes.sg 仍继续执迷不悟非作弄lzm 不可!

We have received the email from our client too. We have explained and guided him on the domain verification.

If you have any enquiries, please do not hesitate to contact us. Thank You!

Best Regards,

Tien Lye

Dear Registrar

We refer to the email below.

SGNIC 已立即电邮告知 exabytes.sg 要按行规替域名注册人lzm 去SGNIC 认证!

The domain name "ycec.sg" requires the administrative contact to verify the name as there was a change in the administrative contact in July 2021. Once the domain name is verified, your client will be able to renew it.

We would appreciate it if you could reach out to your client to:

1. Help your client be familiar with SGNIC's policy that the administrative contact needs to verify the domain name whenever there is a (i) change of the identity or contact information of the Registrant, or a (ii) change of the identity of the administrative contact.
2. Walk through the verification process to verify the domain name.

Do help to assist the registrant expeditiously to complete the verification and renew the domain name.

Thank you.

Best regards
Elysa Cheng

Dear Sir or Madam:

多謝您的回复!

Thanks for your reply!

如在www.ycec.pk/911/icann.htm可見的事实,也就因有中国特工的介入也进入新加坡,因此,已收费的en.com.sg 域名 公司蓄意不按自身的专业职责及依 SGNIC 规定去验证更立即终止指向服务,本人于2021年3月08日就向贵局的Mr. Chuen Hong首席执行官投诉,其后就转由 exabytes.sg管理本ycec.sg的域名指向工作!

As at www.ycec.pk/911/icann.htm visible fact, also because have agent of CP-China to step in Singapore, so before already to charge of the en.com.sg the domain company purposely no by self specialty duty and SGNIC's stipulate to verify my domain status still at once to stop point my ycec.sg hosting, so I must at once on 2021.3.08 day complain to your Mr. Chuen Hong Chief executive officer, and after also must to change the domain point job by exabytes.sg to control!

由于有贵局的介入,本ycec.sg就可常态可应用2年,请代替感谢Mr. Chuen Hong首席执行官!

Because had IMDA your intervene, my ycec.sg just can to normality use two years, so please substitute me to thanks your Mr. Chuen Hong Chief executive officer!

但今天的exabytes.sg 又学足en.com.sg 的狡诈手段作弄本人不给续约,也就因本人的忙碌程度有异常人,如从www.ycec.sg/DCMP254/221124.htm 可见的,在1999年也打劫本人工厂及政府投资的苏州工业园的前主席江泽民也在次日目睹此信后被传言死都不敢留尸,其后的习近平主席也详阅知情后就下令不再"核酸检测"可通关也由此而来!

But now, the exabytes.sg still as before en.com.sg the deceitful means no to continue a contract tease for me, because my busy degree to have different an ordinary person, as at www.ycec.sg/DCMP254/221124.htm visible, before on 1999year to rob my factory with our Gov. to invest in SuZhou City the industrial park that ex-Chairman J_Zemin also to see my this letter after by whisper to die also afraid keep the corpse, but after the Xi Jin-Ping Chairman also to read to know details after to order no again by "nucleic acid tests" can to customs clearance in HK with China that just from this come!

但也因要靠exabytes.sg管理本ycec.sg的域名指向只剩7天,

也因此,更要紧急希望贵中心经理可联络SGNIC配合立即说服exabytes.sg要常规续约或告知新的域名管理名单另签新合约,以免本ycec.sg又要停用被害!

And now because my ycec.sg domain to point my hosting by exabytes.sg only remain 7days, so I still urgent hope Centre Executive you must to liaison SGNIC to co-operate to convince exabytes.sg must by routines to continue a contract, or inform a new domain management can to sign a control contract fore me, so only can to exempt my ycec.sg again to stop application to harm!

多谢! Thanks!

Very urgent!

Ycec.sg
