

Subject: Justice to gibbet the WHO Dr Margaret Chan cannot be atoning for the bereaved of swine flu!

The Honor
Leaders of Country
Your Excellency

C.C. International Court of Justice 
C.C. every medium 

Dear Sir/Madam;

The swine flu and SARS are similar. On 15 May 2003 4:20pm, I published and introduced an original and flawless medical treatment titled “Surface Treatment of SARS-Infected Lungs” or for short “washing-lung” and PFCO disinfect to Hong Kong Government. It could have easily solved the SARS crisis of China, HK and Taiwan. However the Chinese Government used the hard-won possessions of the people to bribe politicians of different country; appraisal meeting of Nobel to assist in concealing this important invention for six years up to now. It caused WHO and officers under Health department from different countries to **impersonate cheerfulness with the lie on** the efficacy of *vaccine* or *Tamiflu* to pacify human heart but they **unable to face** my originality medicine principles and the more important logical reasoning is below:

 Under the theorem of pathology, as there is a need to define air as an interface, the SARS, Bird Flu are similar cases that belong to lung of surface ulcerous infection.

Under the above definition of medicine, only use the method of surface to handle it could be reasonable to cure the lung of surface ulcerous infection, which is the medical treatment “washing to disinfect” that only one can absolute effective medical treatment! Therefore, regardless of SARS, Bird Flu phthisis or various pernicious flu include today of swine flu a patient who is while about half an hour could be to leave a hospital! You can link to www.ycec.net & www.ycec.com for specifications.

The WHO Dr *Margaret Chan* who is the Director of Health in Hong Kong during the SARS phase of 2003. She clearly understood my medical treatment of “washing-lung” is only the cure for SARS, Bird Flu, phthisis and other malignant flu. However she executed the Chinese Government’s order to use my medical treatment of “washing-lung” to cure all SARS patient stealthily, then her many colleagues to oppose this acts, she was persuaded that: “ we have ‘secret order of centralization’, not afraid of!”. It showed that she is a foolish woman of not have values and servility extremely.

When the international swine flu spread today, the **WHO Dr Margaret Chan** has a duty to make public to Ministry of Public Health of different country that how to used above the medical treatment of “washing-lung” to save life and to end the crisis, if no, the International Court of Justice must to bring the **WHO Dr Margaret Chan** before the court to accuse the opposed to mankind crime and to gibbet to expiate sin for the bereaved of **swine** flu!

Over the past one years, I send three letters to the leaders of country state the case of conceal above invent of medicine with the relation of **crisis of inferiority mortgage loan and the recession**. It was to merit you link to www.ycec.com/lzm.htm and confer again. The reminder below, today’s swine flu was to republication the SARS crisis, if your country follow China and Hong Kong Government’s foot steps rascally to steal the medical treatment of “washing-lung” only encourages the bluster of perpetration. Anyone who receive China Government’s tort subsidies or compensate for assisting in conceal invention are also the public enemy of mankind civilization.

The above mentioned is mankind’s worst medical history. As times passes, Sweden's prosecutor announced a fact, pointing out China Government bribery appraisal meeting of Nobel since 2006year on December 18, 2008. A Cambridge student threw a shoe at China premier to address to the issue on

Feb. 02, 2009. That led to much discussion as China government concealed the medicine invention through bribery. Similarly, *Obama's* inauguration address warned China Gov. 🖐️ [...To those who cling to power through corruption and deceit and the silencing of dissent, know that you are on the wrong side of history; but that we will extend a hand if you are willing to unclench your fist]

The mankind society is very important a trouble in front of leaders of the world; the China had no civil rights of voting and come into power by an only one political party of a country, such as the legislature of main official must make public his assets which was reject to shown the motive of the ruler, but the ruler was to be good at fictitious the “nation” to call all people to pledge loyalty and serve however not that the values of common general! It was very clear, the new mode of a slave system became already. The “central authorities” no longer people-oriented and give priority to benefits of nation and further became the endless power for the stealth-King. This is the source of a real yellow-misfortune!

For the above reason, President *Obama's* goodwill to help China Government from the reverse side of history to come back the just and honorable that is **very difficult to attain!** Left with no choices, now only to operation to **WHO Dr Margaret Chan** in the WHO will be holding a meet on May of 2009. Every officers of Public Health of different country will have a chance question **Dr Margaret Chan** in the meeting and force **her** to unveil truth that conceal and steal the real situation of the medical treatment of “washing-lung” to pay back a justice for mankind society!

Respectable French President, please do not forget how former president Bush regretfully taught Obama the fact that he was betrayed by his a good friend, fallen into a trap at his last press conference on Jan. 16, 2009. This is caused as former China chairman Jiang Ze-Min announced how his son bribed Bush's younger brother (NeilBush) into submission to assist to conceal this invention!

Respectable French President, please tell your nation and doctors, the Tamiflu are used only to hide patients' condition but can not cure genuine swine flu. 🖐️ If a patient have his temperature 39°C and can not be cure by any ordinary medicine for colds must use medical treatment of “washing-lung” immediately. I do not mind stealthily to tort because the life is valuable than anything else.

Dear respectable French President, Mr. Nicolas Sarkozy, you are a brave warrior of civilized society and not a bribee of China Government; 🖐️ please lift out your wear-sword to hack off the lackey of heathendom to expel the **Dr Margaret Chan** out of WHO's stage! Let the China Government know about burden of history, those who conceal the medical invention have equal crime as war criminal! And order China Government to surrender the stealth-King of human war criminal!

Therefore, justice to gibbet the WHO *Dr Margaret Chan* cannot be atoning for the bereaved of swine flu!

This letter is for leaders of the countries, International Court of Justice and every medium!

Thank you!

Yours faithfully,

Lin Zhen Man
Apr.30, 2009.
