Dear  
 Formalities Manager  
 Mr Peter Manchee:

**Urgent! Urgent!**

I must to repeat that my letter sent on 17 May. 2008 that was regarding I have replied to the report under Section 18(3) dated filed before 8 February 2008.

Until yesterday, according to the newspaper there are total 7500 case of H1N1 arisen in Britain, but Ministry of Public Health of UK still not have to make public efficacious medical treatment to stable the will of the people. This is a disastrous effect, it obviously with our above mentioned application of "washing-lung" medical treatment have yet to ratify are related. Oppositely, the New Zealand patent office already approved this application to become a first civilization power country of west camps and to leave behind a good reputation in the annals of history. Please see attachment one.

Therefore, for to save life, please as quickly as possible to approved this application, it could be to set into action for UK CDC to make public use above the medical treatment of "washing-lung" to save life.

Yours faithfully,
